

Depuis Hive en admin :

The screenshot shows the 'Platform Management / License' page. The left sidebar contains navigation links: 'admin', 'Organisations', 'Users', 'Knowledge base', 'Entities Management', and 'Platform Management' (highlighted). The main content area is titled 'License Management' with a 'Community' tag. It features a 'Update the current license' button and a table of license details:

At the bottom right, there is a 'Activate Windows' watermark: 'Activate Windows. Go to Settings to activate Windows.'

Pour bien séparer (2 organisations) :

The screenshot shows the 'Organisations' list in the Hive admin interface. The left sidebar contains navigation links: 'admin', 'Organisations' (highlighted), and 'Users'. The main content area has a header with a '+', 'default', and 'Export list' button. Below the header is a table with columns for selection, status, and name:
